Discuss action on horseshoe driveways: Oneida county and neighboring townships don't allow. State Statue doesn't allow. Need to watch people coming out of which driveway. Narrow roads and wings are out is enough to try to watch for. It protects the people not to have them. Last one installed on a 55-mph road. Not enough road to swerve. On books as not allowed. Need to grandfather the ones that were approved and put in. Don't allow and keep as is.

Discuss Troutman Contract: No deposit fee is listed. \$500 an event as well as lease payment to add to contract. Also #15 if damage Mr. Troutman will pay for repair and if town pays the expense will be withheld from deposit. Add to January meeting.

Discussion of keeping people off neighboring property 26 no trespassing signs. A stolen motorcycle was found on neighbor's land. Trailer is still over the line. Need to patrol. Neighbors' signs are not directly on lot line. Request to have the neighbor pay for half of a fence the neighbor wont. Will put up orange fence and take down 45 days after the event.
